Dear colleagues,

on behalf of the Department of Commercial Law and Business Law, Faculty of Law, UPJŠ in Košice, we would like to invite you to

XIII. year of the INTERNATIONAL SCIENTIFIC SYMPOSIUM LAW-COMMERCE-ECONOMY

which will take place this year on 23rd – 25 th October 2024 in High Tatras (Hotel PATRIA in Štrbské Pleso). The Scientific Symposium builds on the long tradition of autumn scientific symposia held in the High Tatras regularly since the first half of the seventies of the last century. The Scientific Symposium will traditionally be organized in cooperation with the Institute of State and Law of the Academy of Sciences of the Czech Republic in Prague and the Institute of State and Law of the Slovak Academy of Sciences in Bratislava.

Every year, the organizers of the international symposium try to reflect on fundamental legislative changes in the domestic legislation as well as in the international and European legal area. In recent months, among other important topics, the following areas of scientific and legislative issues have resonated, while the organizers have decided to pay detailed attention:

1. *The potential of arbitration for the resolution of commercial disputes*
2. *Current challenges in the field of commercial law and bankruptcy law*
3. *2024 – the year of artificial intelligence?*

After a successful review procedure papers will be published in the Conference book of proceedings.

If you are interested in active participation in the planned event, we would like to ask you to register your contribution by 31th July 2024 through the symposium registration system <https://poe.pravo.upjs.sk>.
