Dear Colleagues,

on behalf of the Department of Commercial and Business Law of the Faculty of Law at Pavol Jozef Šafárik University in Košice, we are pleased to invite you to:

**XIV. year of the  
INTERNATIONAL SCIENTIFIC SYMPOSIUM  
LAW-COMMERCE-ECONOMY**

which will take place this year on 22<sup>nd</sup> – 24<sup>th</sup> October 2025 in High Tatras (Hotel PATRIA in Štrbské Pleso). The Scientific Symposium builds on the long tradition of autumn scientific symposia held in the High Tatras regularly since the first half of the seventies of the last century. The Scientific Symposium will traditionally be organized in cooperation with the Institute of State and Law of the Academy of Sciences of the Czech Republic in Prague and the Institute of State and Law of the Slovak Academy of Sciences in Bratislava.

Every year, the organizers of the international symposium try to reflect on fundamental legislative changes in the domestic legislation as well as in the international and European legal area. In recent months, among other important topics, the following areas of scientific and legislative issues have resonated, while the organizers have decided to pay detailed attention:

1. *The Potential of Arbitration for Resolving Commercial Disputes*
2. *Reorganization of Entrepreneurs*
3. *The Influence of European Legislation on National Legal Frameworks in Civil, Commercial, and Business Law: Emerging Trends in Cybersecurity, Data Protection, and Digitalisation (section in English).*

If you are interested in active participation in the upcoming event, we kindly invite you to register **with mandatory submission of an abstract of the paper** by **31<sup>th</sup> August 2025**, via the symposium's registration system: [https://poe.pravo.upjs.sk/?page\\_id=1072&lang=en](https://poe.pravo.upjs.sk/?page_id=1072&lang=en). The final text of the contribution should be sent no later than **30<sup>th</sup> September 2025**. All submissions will undergo a peer-review process, and accepted papers will be published in the electronic conference proceedings.

With deep respect and looking forward to meeting you in person in the High Tatras,  
we remain with friendly and collegial regards,
